

UPPER ROOM FELLOWSHIP WOMEN'S MINISTRY

Our Mission: Empowering, encouraging, and equipping women through small group relationships to let their light shine on their journey of spiritual transformation and personal destiny.

Our Vision: To create a network of confident Christian women who are empowered to pursue God's transforming power in their lives in order that they may know God, share life, serve others; and by doing so, transform lives, which transforms communities.

"You are the light of the world. A city set on a hill cannot be hidden. Nor do people light a lamp and put it under a basket, but on a stand, and it gives light to all in the house. In the same way, let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven." *Matthew 5:14-16*

2022 OFFERINGS

Shine Podcast. Every Monday, Kate and Beth interview a member of the Upper Room Fellowship to find out who or what turned on their lights (their testimony), what lights them up (their passion), and how they are letting their light shine (their ministry). This fun-filled podcast is a great way to learn about our community—you may have more in common with people than you think! Find the link for your favorite podcast app here: www.anchor.fm/urfshine.

Shine Bright Newsletter. A weekly newsletter written by the women of the Upper Room, for the women of the Upper Room. Each week, you'll get a dose of encouragement and insight from one of our authors that we hope will inspire, support, and make you think! You can subscribe to the newsletter and read past editions at www.tinyletter.com/Women_of_URF.

Learning Labs. **NEW in 2022!** These short-term (4-6 weeks) Learning Labs provide an opportunity to meet and connect with women and learn practical skills in a fun and welcoming environment. Watch the announcements for details, but we've got plans to learn about all sorts of things, including healthy relationships, gardening, finances, and how to read the Bible.

Shine Small Groups. Led by a Shine leader, empowering, encouraging, and equipping women through small group relationships to let their light shine on their journey of spiritual transformation and personal destiny. These small groups (6-8 women) meet once a month for a year and are committed to learning and growing in their spiritual journey while building relationships with each other.

Shine Leaders. We are currently training new leaders and creating a workbook with curriculum so we can get more small groups started. Stay tuned for details! Shine Leaders are committed to leading a Shine small group for two years and training up leaders within their group, with the intent of generating more groups. We'd love for every woman within the church family to be connected!

Serving. There are many ways you can get involved with the events for the women's ministry. Helping with food and set up for events, writing for the newsletter, leading a small group, teaching a workshop at the conference, hosting a table at the Breakfast Bonanza—many hands make light work! Contact Beth Scheller (330) 402-3318 or beth@urfellowship.com if you are interested in serving.
